PRESENTATION OF MEGA NFC® IN EAST INDIA CLUB

Presentation of MEGA NFC® medical¹⁰ was held on 20 November 2018 in the private East India club at St James's Square in London. MEGA NFC® medical¹⁰ is a unique detox product which is aimed at overall health improvement and active anti-ageing of the body. The official representatives of MEGA NFC in the UK Irina Emtseva and Russell Duckworth gave a speech before the guests. After this Dr Marcus Stanton, president of the multinational academy IFOS and association of functional medicine ProPrevent, explained the medical characteristics of the product, gave practical recommendations and answered the questions of the guests.
